Christmas Swag Bags

What Are Swag Bags?

A Swag Bag is a special Christmas gift—a backpack filled with essentials like hygiene products, books, devotionals, school supplies, and fun items like games. Each year, every child in our schools receives one, and for many, it’s the only gift they receive all year.

Anyone is welcome to take part by purchasing and filling a backpack! We collect them in the spring, as it takes about six months for the shipment to reach Zambia in time for Christmas. Your generosity ensures that every child experiences the excitement of receiving a gift made just for them!

How To Build A Swag Bag

① Get The Bag

You can use either a two-gallon Ziploc bag, two one-gallon Ziploc bags, or purchase your own backpack. Whatever you use, make sure it is clearly labeled with you and your sponsored child's name.

② Pack The Bag

Below are lists of items to include in your child's Swag Bag. If there are items in your bag that have multiples, we may pull a couple of the extras to go to a child who wouldn't otherwise receive a bag. Our staff goes through every swag bag to make sure that the items are appropriate for the child, and we give our best effort to make all children's swag bags something they will be very excited about!
